“Celebration Rentals made my daughter’s wedding really special. All of my questions and last minute changes were handled quickly and easily. The crew that came to set the tent up was great! After the tent was set up at Crown Point Historic Site, a man came up to me and was asking about the tent, tables and chairs. He explained to me that he owned a rental company in Illinois and he was really impressed with the quality of the tent, tables, and chairs. You learn a lot putting together a wedding and I would definitely recommend Celebration Rentals to anyone!”

There are many factors in determining the tent size required for an event. We find the simplest method for achieving this is to use the chart below to calculate the approximate necessary square footage.

<tbody>
<tr>
<td>Guest Seating</td>
<td>12 sq ft per person</td>
</tr>

<td>Buffet Table (10' x 32')</td>
<td>100 sq ft per table</td>
</tr>
<tr>
<td>Cake Table (4' round)</td>
<td>50 sq ft</td>
</tr>
<tr>
<td>Bar Area</td>
<td>100 sq ft</td>
</tr>
<tr>
<td>Standing Room Only</td>
<td>6 sq ft per person</td>

In the pre-planning stage of an event, Celebration Rentals uses the square footage calculations to create precise figures and generates a computer aided design, or CAD, to give clients a clear and tangible vision of their event configuration.

Celebration Rentals offers free consultation and CAD layout to anyone interested in planning or entertaining an event, wedding or party.

**FAQ**

See website for more Q&A: celebrateinvermont.com/faq

**WHEN IS THE BEST TIME TO RESERVE EQUIPMENT FOR MY PARTY OR EVENT?**

We recommend reserving items and equipment as early as possible. Holidays are often times booked far in advance, and popular wedding dates may also have limited availability. A reservation is required to guarantee rental availability.

**CAN I MODIFY AN EXISTING RESERVATION?**

We welcome adjustments to orders until ten days prior to the event, however additions can not be guaranteed. Cancellations must be discussed with a representative.

**HOW DOES PRICING WORK?**

Pricing is based on a full weekend rental (Sat-Sun). If you require a longer rental, additional charges may be incurred so please call us for more info.

**DOES YOUR STAFF SET UP EQUIPMENT?**

Rentals installed by our crew include tents, dance floor, bandstand, walls and lighting. Rental cost does not include the setup of tables and chairs. If setup of these items is needed, there is an additional fee of $1.00 per table and $.50 per chair that will be incurred.

We can’t thank you all enough for your positive and professional contribution to each one of our events. We will continue to spread the word about an awesome tent company that has been a pure pleasure to work with!” — Deb & David**
